Re: 5th Grade Memory Book

Dear Parents,

As we look ahead to 5th grade Farewell Week, we need your help with a very special project called Memory Book. Each year, the 5th graders are given a survey to fill out detailing things that are important to them. Their responses are compiled in a Memory Book which is distributed to each student during the last week of school. This book captures the great times and friendships made at MPE, and is a wonderful keepsake to remember their friends, teachers, and experiences in 5th grade.

Below are questions that we would like for your child to answer. We ask that you look over their responses and make sure you are comfortable with them. Please sign the bottom of the page once you have approved them. All entries are still subject to censorship where needed. **Please return these to the homeroom teacher by April 2nd so we can get them to the printer on time.** If you have any questions contact Jan Heston, hestonj@comcast.net. Thank you!
